

Our Council needs a *local voice* who understands our community.

My name is Katerine Theodosis and I am your Labor Candidate for Westbreen Ward in the upcoming Merri-bek Council Elections in October.

I'm a **lifelong local**. I grew up in Pascoe Vale and currently live in Hadfield. My parents are Greek migrants, who moved to this area to build a better life for me, and my brothers and sister.

I've put my hand up because I love our diverse and welcoming community, and **I want to see it thrive.**

MY KEY POLICIES

As a ratepayer myself, I will advocate for **affordable rates** to ease the pressure on households.

The revitalisation of Pascoe Vale Outdoor Pool.

Upgrading and maintaining **local spaces** such as James Reserve, Gavin Park, Cole Reserve and Westbreen Creek.

Ensuring every resident has access to **quality services** such as aged care, child care, maternal health, disability services & mental health support.

Consultation and support for the **local businesses, sporting clubs and community organisations** we know and love.

Common sense planning to build homes whilst retaining the character of our neighbourhood.

The North of Merri-bek has been neglected for too long.

Whilst other suburbs get new parks and major projects, Pascoe Vale, Oak Park and Hadfield continue to miss out.

Council has a responsibility to support and invest in all of our suburbs equally.

As a lifelong local, I will be a strong voice that stands up for our community on Council.
